## TALLINK SILJA CONNECTS THE BALTIC SEA COUNTRIES

Tallink Silja is a leading provider of high-quality mini-cruise and passenger transport services in the Baltic Sea region, as well as a leading provider of ro-ro cargo services on selected routes. Our fleet of 20 vessels, operating under brands of Tallink and Silja Line on seven different shipping routes, allows us to offer a wide range of services and frequent departures. The destinations are: Helsinki, Turku, Stockholm, Tallinn, Riga and Rostock.

The services range from high class cruises to fast and more affordable crossings and from adventurous holiday experiences to professional business travel and conference services. Tallink has 6900 employees in Estonia, Finland, Sweden, Latvia, Russia and Germany. We currently deploy some of the most advanced cruise ferries on Baltic Sea with state-of-the-art facilities, improved accommodation, larger onboard shopping areas and high quality onboard services, setting a new benchmark for travel standards in the Baltic Sea region.

Cruises on Tallink's and Silja Line's ships do not stop for the winter. During the winter we offer our customers a truly unforgettable experience to sail through endless ice fields with fantastic sculptures in the ice marking the route. The unique sea voyage experience begins as soon as you step on board the Tallink and Silja Line cruisers: great possibilities for entertainment and recreation, excellent restaurants, spacious and comfortable cabins and advantageous shopping are all contributing to a memorable trip.
