

New Buffet concept from 1.2.2012!

All Tallink Group's cruise vessels will serve updated selection of Buffet assortments starting from February. The leading idea is to offer fresh and trendy quality food with style to our guests. Now you can start from any point you want and forget the old fashioned gastronomical order. You will surely find your own favourite starters, main courses and desserts among the generous selection from different tables. Enjoy Scandinavian delicacies, sushi, antipasti, Tex Mex and a lot more!

Bon Appétit!
