

GUARDIAN INSTRUCTIONS / INDIVIDUAL TRAVEL

Welcome to Tallink Silja! We hope that all our passengers enjoy their sea voyage on our ships. The enclosed instructions are there to ensure the general order and safety. Read the instructions well before the trip!

It is important that the guardian knows his/her youngsters and they know him/her. The person acting as a guardian needs to perceive that this is not only a formality but a responsible task. We thank you for cooperation

–it ensures a successful trip for all!

The guardian needs to:

- Be at least 30 years old. A family member, when acting as a guardian/supervisor, must fulfill the age limit of the particular voyage and be at least 18 years old.
- Take care of the youngsters during the entire voyage
- Let the youngsters know that the safety regulations and the commands of the master of the ship must be obeyed.
- Make sure the youngsters and the guardian boards the ship together
- Make sure that there is no own alcohol, cd-players or spray paints taken onboard
- Read the safety instructions of the ship and advice the youngsters to read them
- Supervise the group's behavior onboard and intervene in all disturbance
- Contact (via information desk) the ship's safety officer when the situation requires it. The information desk serves around the clock.
- Tell the youngsters, that it is ok to have good time as long as fellow passengers are not disturbed
- Make sure that there is silence in the cabin corridor after 23.
- Be able to function in all situations for the benefit of the youngsters, fellow passengers and the shipping company
- Supervise that minors do not consume alcohol
- Remember that supplying minors with alcohol is punishable act
- Inform the youngsters of the responsibility of damage and disturbance
- Acknowledge and inform that inappropriate action of the group, a group member or the guardian can in worst case lead to removal from the ship in the next harbor.

I commit myself to Tallink Silja's guardian instructions

Place and date
